Christmas data cap suspension in the Hull Area- 16/12/2022

KCOM understand the challenges people are facing at this time, and we want to make sure your customers are free to enjoy our network without the worry of data caps and additional expense over the Christmas period.

We are very pleased to announce that over Christmas we will be removing all data caps on our Connect Broadband Fibre and ADSL products, for both business and residential. After what has been a tough year, we hope this makes a small difference.

Usage limits suspended from 08:00 19 December 2022 to 07:59 9 January 2023 inclusive.

We thank you for your continued support and look forward to working with you all in the New Year as we continue to enhance our products and expand our network.

Regards,

The KCOM Wholesale Team
